

CORE LEGAL/ADVOCACY TEAM MEETING MINUTES FROM 10/10/16

Present: James Pleasant, Annette Deao, Janie Summers, Andrea Rodenberger, Brandon Standley, Steve Terrill, William Goslee

1. Review current Logic Model to add measurable outcomes
Discussion regarding adding measurable outcomes for Law Enforcement. Discussion included how drug addiction effects property crimes such as burglaries, B & E, theft, shoplifting, misuse of credit cards.
2. Identify one Risk Factor and measurable outcome each for :
Law Enforcement - Need to increase the Task Force. Could we do "hot spot" mapping to do more predictive modeling and increase the quality of information to task force?

Advocacy – Discussion regarding advocating for stiffer penalties

3. Update on contact with Dr. Ahern in Union County (Jim & Annette)
Jim and Annette shared that Union County provides their own treatment to the court. They have treatment 5 days a week in an off site location.
4. Update on discussions regarding a combined drug screening system in the courts (Jim & Annette)
Discussions are moving forward to combine drug screening from Municipal, Common Pleas and Family Court. Since there will be a new Judge we need to wait and get the approval. Proposals will be submitted to each court.

5. *Mtg w/ Alacon on 10/13/16*
